To Whomsoever It May Concern,

I am writing to express my wholehearted support and endorsement of Project Shiksha, an initiative that has showcased exceptional dedication in facilitating the opening of 45 accounts with of Kapurchand Kotecha Urban Co-operative Credit Society Ltd. As the Manager of our esteemed financial institution, I have had the privilege of witnessing the invaluable impact of this project on the financial education landscape and closely observing the significant impact of Project Shiksha's collaboration with us.

Project Shiksha's commitment to enhancing financial literacy aligns perfectly with our institution's mission of fostering financial literacy and empowerment. Their tireless efforts have significantly contributed to equipping students from various backgrounds with the knowledge and skills needed for sound financial decision-making.

I have personally observed the transformative effect of this initiative on the students it serves. By imparting financial education, Project Shiksha not only empowers students with essential life skills but also prepares them for a secure and prosperous future. Their dedication to assisting students in opening accounts with our institution has been a key element in promoting financial literacy.

Manager
Kapurchand Kotecha Urban
